INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §§1.97-1.98, Applicants hereby make of record the publications listed on the attached Form PTO-1449. As copies of U.S. patents are not required, they are not enclosed herewith but can be made available upon request.

It is respectfully requested that the information above be expressly considered during the prosecution of this application and that the publications be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

It is further requested that the Examiner initial and return a copy of the enclosed Form PTO-1449 with the next Patent Office Communication.

This submission does not represent that a search has been made and does not constitute an admission that the listed publications are material to patentability or that the listed publications are prior art.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed publications should the publications be applied against the claims of the present application.

The filing of the Information Disclosure Statement precedes the date of the mailing of the first Office Action on its merits, therefore, pursuant to 37 C.F.R. §1.97(b)(3), no fee is believed to be due.

In the event a fee is due, the Commissioner is authorized to charge any fee deficiency or credit any overpayment to Deposit Account No. 08-0219.
